

Inter-Architecture presents:

# Leaning Towers

A film about Rem Koolhaas

Monday, June 1, 12-14h

room: K18 Rietveld Academy

This documentary is made by Hollywood based, Dutch filmmaker Rene Daalder. Daalder and Koolhaas are old school friends and collaborated when Koolhaas was involved in making films.

Leaning Towers (2014) covers Koolhaas' life from his school days until his most recent architectural exploits and features several

clips of films Koolhaas was involved in making. The documentary offers an intimate look into the life of the legendary architect and thinker Koolhaas.

The film features Le Corbusier, Archigram, ArchiZoom, Constant, the AA school and Superstudio.

Short introduction by Bernard Leupen.
